

Surplus Property Program

Offering new and used property for a fraction of its value!

The Department of Administrative Services (DOAS) Surplus Property Program redistributes state and federal surplus property for the state of Georgia. This property is available for a fraction of its value to all state and local governments and to eligible non-profit organizations.

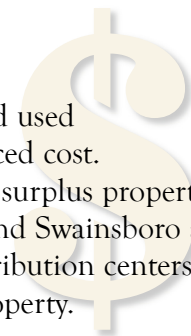

Why pay more?

Surplus Property offers new and used property at a substantially reduced cost. Our three conveniently located surplus property centers in Americus, Atlanta, and Swainsboro are the primary collection and distribution centers for state and federal surplus property.

The following core items are typically available for redistribution.

- Office furniture
- School furniture
- Office products
- Machinery
- Shop equipment
- Food service equipment

The following vehicles and specialty equipment may also be available.

- Sedans
- Pick-ups
- Vans
- Mini-buses
- School buses
- Dump trucks
- Boom trucks
- Cranes

A sample of our inventory is available on our Web site at www.surplusproperty.doas.ga.gov. If you don't see what you are looking for, contact the nearest surplus property center for availability.

Need an item that isn't in our inventory?

Contact us or visit our Web site to request your item be placed on our "Want List". All three of our surplus property centers will use this list to search for your item. If the item becomes available, we will place it on hold and contact you.

Running out of office or warehouse space?

Eliminate clutter and free up valuable office and warehouse space by letting us redistribute those items you no longer need using one of the following disposal methods.

On-site disposal. Property can be disposed of at your location, eliminating the need for you to transport it to one of our surplus property centers, saving you transportation costs.

Bring your property to us. Usable property can be delivered to one of our three surplus property centers. This allows the property to be removed from your location and inventory on your time schedule.

Whether you choose on-site disposal or bring your property to us, we can assist you in the disposal/redistribution process. Contact us for additional information.

Contact Information

Information on program eligibility, available property, and fees can be obtained by:

- calling 770-414-6468;
- e-mailing surplusproperty@doas.ga.gov; or
- visiting the Surplus Property Web site at www.surplusproperty.doas.ga.gov.
